

EXPLORE THE WORLD WITH THE POKÉMON GO PLUS ACCESSORY AT YOUR SIDE!

The Pokémon GO Plus accessory can be used with any compatible smart phone that has the *Pokémon GO* application installed. After the Pokémon GO Plus is paired via Bluetooth LE and a brief setup process is completed, players can encounter and catch Pokémon like never before. When the smart phone with *Pokémon GO* and the paired Pokémon GO Plus accessory are within range of each other, both will begin to vibrate when a Pokémon is close by. With the convenience of not having to look at your smart phone, simply press the button on the Pokémon GO Plus to attempt to catch a Pokémon while you are out and about.

Pokémon GO users will also encounter set locations called PokéStops, where you can collect items like Poké Balls, Berries and even Pokémon Eggs. Pokémon GO Plus is an easy and convenient way to collect Pokémon and items without having to look at your smart phone.
